ACCREDITATION

The Washington Online Learning Institute is regionally accredited as a postsecondary institution by the Middle States Association - CESS and recognized by the US Department of Education and CHEA. Questions regarding our accreditation status can be directed to WOLI or to MSA 267-294-5000, Fax 610-617-1106, or email at info@msa-cess.org. Enroll today and learn with a leader.

HOW IT AFFECTS YOU

Accreditation is important to Washington Online because it demonstrates to our community of faculty, staff and students that we adhere to standards of excellence in our educational programs and services. Accreditation ensures certificates and diplomas are recognized by employers.

ACADEMIC PROGRAMS

Paralegal Programs
Paralegal Certificate Programs and Courses at Washington Online are fully accredited paralegal legal assistant programs, and are recognized and trusted by employers throughout the United States. In just a few months, you can earn your accredited Certification through your online studies at the Washington Online Learning Institute and start your paralegal career.

Business & Health Care Programs
Our accredited online curriculum is designed to develop strengths, skills, and knowledge in crucial areas of business, management, accounting, marketing, health care, IT, and more. The knowledge and skills gained in our online programs are valuable to employers in an increasingly sophisticated employment market that is growing rapidly.

ONLINE LEARNING AT WOLI

Online courses at Washington Online are designed to be flexible, affordable and completed quickly. Students access online courses 24x7 from any location and complete programs on their own terms. WOLI uses state-of-the-art online learning systems to provide an outstanding learning experience.

ACCREDITATION INFORMATION
